Enfield, N. H., Jan. 1, 1939.

Mr. E. P. Freese,
Supt. of Schools,
Bristol, N. H.

Dear Sir:

I respectfully submit the following report as School Nurse of Alexandria from Jan. 1, 1938, to June 30, 1938.

Inspection showed the following defects of the children in the Alexandria schools:

- 57 pupils were examined
- 18 pupils were 10% underweight
- 1 pupil showed a slight degree of anæmia
- 1 pupil had a deformity
- 42 pupils needed dental care
- 7 pupils had enlarged or diseased tonsils
- 3 pupils had enlarged glands

Twenty-six visits were made in homes and 57 visits were made in schools.

A girl from Village School was taken to Cripple Children's Clinic in Manchester September until February for re-examination. X-ray taken of a suspicious T. B. case (negative report). Funds for X-ray were received from New Hampshire Tuberculosis Association. One eye defect was corrected privately. Two pupils' glasses were changed. The children were weighed every month and measured twice during the year.

I wish to express my appreciation to Mr. Freese, members of the School Board, and to thank the parents and teachers for their daily cooperation in making possible the health program.

Respectfully yours,

ELEANOR M. ADAMOWICZ, R.N.,
School Nurse.

W. P. A. PROJECT AND TOWN ROAD ASSISTANCE, 1938

The flood and hurricane of September 20 found most towns with no funds available to finance repairs.

The government, through W. P. A. projects, offered assistance but required the towns to pledge a certain percentage of the cost. To help the towns in this situation, the State Highway Department allowed towns to use their Town Road Assistance (gravel roads) money to help finance rehabilitation.

The Selectmen secured a W. P. A. project for \$10,000, the town to pay 14 per cent and the W. P. A. 86 per cent. On November 28, work on the project was stopped by the W. P. A. for lack of funds. The government had spent \$3,134.55 and the town \$509.43 up to that time. This project is now considered dead.

The town was reimbursed by the state (T. R. A. money) for the town's share of the W. P. A. project and for the amount paid by the town through its highway department for flood and hurricane repairs.

There is now a balance of T. R. A. funds of \$380.72 (state \$304.58, town \$76.14).
